After consulting the Committee on the Development and Conversion of Regions,

Whereas:

- (1) Articles 13 et seq. of Title II of Regulation (EC) No 1260/1999 lay down the procedure for preparing and implementing Single Programming Documents.
- (2) Article 15(1) and (2) of Regulation (EC) No 1260/1999 provides that, after consultation with the partners referred to in Article 8 of the Regulation, the Member State may submit to the Commission a development plan which is treated as a draft Single Programming Document, and which contains the information referred to in Article 16 of the Regulation.
- (3) Under Article 15(5) of Regulation (EC) No 1260/1999, on the basis of the regional development plan submitted by the Member State and within the partnership established in accordance with Article 8 of that Regulation, the Commission is to take a decision on the Single Programming Document, in agreement with the Member State concerned and in accordance with the procedures laid down in Articles 48 to 51.
- (4) The Italian Government submitted to the Commission on 27 November 2000 an acceptable draft Single Programming Document for the region of Emilia-Romagna fulfilling the conditions for Objective 2 pursuant to Article 4(1) and qualifying for transitional support under Objectives 2 and 5(b) pursuant to Article 6(2) of Regulation (EC) No 1260/1999. The plan includes the information listed in Article 16 of Regulation (EC) No 1260/1999, in particular a

Article 1

The Single Programming Document for Community structural assistance in the region of Emilia-Romagna in Italy eligible under Objective 2 and qualifying for transitional support under Objectives 2 and 5(b) for the period 1 January 2000 to 31 December 2006 is hereby approved.

(e) the *ex ante* verification of compliance with additionality and information on the transparency of financial flows.

2. The indicative financing plan puts the total cost of the priorities selected for the joint action by the Community and the Member State at EUR 252 365 061 for the whole period and the financial contribution from the Structural Funds at EUR 122 700 015.

Article 2

1. In accordance with Article 19 of Regulation (EC) No 1260/1999, the Single Programming Document includes the following elements:

The resulting requirement for national resources of EUR 122 700 015 from the public sector and EUR 6 965 031 from the private sector can be partly met by Community loans from the European Investment Bank and other lending instruments.

(a) the strategy and priorities for the joint action of the Structural Funds and the Member State; their specific quantified targets; the *ex ante* evaluation of the expected impact, including on the environmental situation, and the consistency of the priorities with the economic, social and regional policies and the employment strategy of Italy. The priorities are as follows:

Article 3

1. The total assistance from the Structural Funds granted under the Single Programming Document amounts to EUR 122 700 015. The procedure for granting the financial assistance, including the financial contribution from the Funds for the various priorities included in the Single Programming Document, is set out in the financing plan annexed to this Decision.

- support for firms;
- negotiated programming for local development;
- technical assistance;

2. The total Community assistance available is as follows:

- ERDF: EUR 122 700 015.

(b) a summary description of the measures planned to implement the priorities, including the information needed to check compliance with the State aid rules under Article 87 of the Treaty;

3. During implementation of the financing plan, the total cost or Community financing of a given priority may be adjusted in agreement with the Member State by up to 25 % of the total Community contribution to the Single Programming Document throughout the programme period, or by up to EUR 30 million, without altering the total Community contribution referred to in paragraph 1.

(c) the indicative financing plan specifying for each priority and each year the financial allocation envisaged for the contribution from each Fund, where relevant from the EIB, and from the other financial instruments, including, for information, the total amount from the EAGGF Guarantee Section and indicating separately the funding planned for the regions receiving transitional support in respect of Objectives 2 and 5(b) and the total amounts of eligible public or equivalent expenditure and estimated private funding in the Member State. The total contribution from the Funds planned for each year for the Single Programming Document is consistent with the relevant financial perspective;

Article 4

This Decision is without prejudice to the Commission's position on aid schemes falling within Article 87(1) of the Treaty that are included in this assistance and which it has not yet approved. Submission of the application for assistance, the programme complement or a request for payment by the Member State does not replace the notification required by Article 88(3) of the Treaty.

Community financing of State aid falling within Article 87(1) of the Treaty, granted under aid schemes or in individual cases, requires prior approval by the Commission under Article 88 of the Treaty, except where the aid falls under the *de minimis* rule or is exempted under an exemption regulation adopted by the Commission under Council Regulation (EC) No 994/98 on the application of Articles 87 and 88 to certain categories of horizontal State aid ⁽²⁾. In the absence of such exemption or approval, aid is illegal and subject to the consequences set out in the procedural regulation for State aid, and its part-financing would be treated as an irregularity within the meaning of Articles 38 and 39 of Regulation (EC) No 1260/1999.

Consequently, the Commission will not accept requests for interim and final payments under Article 32 of the Regulation for measures being part-financed with new or altered aid, as defined in the procedural regulation for State aid, granted under aid schemes or in individual cases, until such aid has been notified to and formally approved by the Commission.

Article 5

The date from which expenditure shall be eligible is 27 November 2000. The closing date for the eligibility of expenditure shall be 31 December 2008. This date is extended to 30 April 2009 for expenditure incurred by bodies granting assistance under Article 9(l) of Regulation (EC) No 1260/1999. The closing date for the eligibility of expenditure in the areas receiving transitional support shall be 31 December 2007.

Article 6

This Decision is addressed to the Italian Republic.
