ments provided for in Annex II and, for at least one plant protection product containing the active substance concerned, the requirements of Annex III to Directive 91/414/EEC.

- (5) This Decision should not prejudice the right of the Commission to request the applicant to submit further data or information to the Member State designated as rapporteur in respect of a given substance in order to clarify certain points in the dossier.
- (6) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,
