Commission Decision of 21 October 2005 recognising in principle the completeness of the dossiers submitted for detailed examination in view of the possible inclusion of ascorbic acid, potassium iodide and potassium thiocyanate in Annex I to Council Directive 91/414/EEC (notified under document number C(2005) 4025) (Text with EEA relevance) (2005/751/EC)

Article 1

Without prejudice to Article 6(4) of Directive 91/414/EEC, the dossiers concerning the active substances identified in the Annex to this Decision, which were submitted to the Commission and the Member States with a view to obtaining the inclusion of those substances in Annex I to that Directive, satisfy in principle the data and information requirements set out in Annex II to that Directive.

The dossiers also satisfy the data and information requirements set out in Annex III to that Directive in respect of one plant protection product containing the active substance, taking into account the uses proposed.

Article 2

The rapporteur Member States shall pursue the detailed examination for the dossiers concerned and shall report the conclusions of their examinations accompanied by any recommendations on the inclusion or non-inclusion of the active substance concerned in Annex I of Directive 91/414/EEC and any conditions related thereto to the European Commission as soon as possible and at the latest within a period of one year from the date of publication of this Decision in the *Official Journal of the European Union*.

Article 3

This Decision is addressed to the Member States.
