THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 2000/29/EC of 8 May 2000 on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community<sup>(1)</sup>, and in particular Article 15(1) thereof,

Whereas:

However, Directive 2000/29/EC permits derogations from this rule, provided that it is established that there is no risk of introduction of harmful organisms.

- (3) The United Kingdom has asked for an extension of that derogation.
- (4) The situation justifying that derogation remains unchanged and the derogation should therefore continue to apply.
- (5) Decision 2002/499/EC should, therefore, be amended accordingly.
