
Changes to legislation: There are currently no known outstanding effects for the Commission Decision of 6 October 2006 amending Decision 2003/858/EC as regards the list of territories from which importation of certain species of live fish, their eggs and gametes intended for farming in the European Community is authorised (notified under document number C(2006) 4361) (Text with EEA relevance) (2006/680/EC), ANNEX. (See end of Document for details)

ANNEX

‘ANNEX Territories from which importation of certain species of live fish, their eggs, and gametes intended for farming in the European Community (EC) is authorised No limitations if left blank. If a country or territory is allowed to export certain species, and/or eggs or gametes, the species must be specified and/or a comment, for example, “eggs only” must be inserted in this column. Provisional code that does not affect the definitive denomination of the country to be attributed after the conclusion of the negotiations currently taking place in the United Nations.’
