Bathing prohibited

PART 2

Symbols for informing on bathing water classification

	<p>Excellent bathing water quality</p>
	<p>Good bathing water quality</p>
	<p>Sufficient bathing water quality</p>

The complex block contains three rows, each representing a different bathing water quality classification. Each row consists of a square symbol on the left and a legend on the right. The symbols are: 1. Three stars above a swimmer icon (Excellent). 2. Two stars above a swimmer icon (Good). 3. One star above a swimmer icon (Sufficient). The legend for each row shows a grid of stars corresponding to the classification levels: Excellent (3 stars), Good (2 stars), Sufficient (1 star), and Poor (no stars, represented by a horizontal line).

Status: This is the original version (as it was originally adopted).
