(2012/483/EU)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Directive 98/8/EC of the European Parliament and of the Council of 16 February 1998 concerning the placing of biocidal products on the market⁽¹⁾, and in particular Article 16(2) thereof,

Whereas:

- (1) Commission Regulation (EC) No 1451/2007 of 4 December 2007 on the second phase of the 10-year work programme referred to in Article 16(2) of Directive 98/8/EC of the European Parliament and of the Council concerning the placing of biocidal products on the market⁽²⁾ establishes a list of active substances to be assessed, with a view to their possible inclusion in Annex I, IA or IB to Directive 98/8/EC.
- (2) For a number of substance/product-type combinations included in that list, either all participants have discontinued their participation from the review programme, or no complete dossier was received within the time period specified in Article 9 and Article 12(3) of Regulation (EC) No 1451/2007 by the Member State designated as rapporteur for the evaluation.
- (3) Consequently, and pursuant to Articles 11(2), 12(1) and 13(5) of Regulation (EC) No 1451/2007, the Commission informed the Member States accordingly. That information was also made public by electronic means on 17 January 2011.
- (4) Within three months of the electronic publication of that information, several companies indicated an interest in taking over the role of participant for some of the substances and product-types concerned, in accordance with Article 12(1) of Regulation (EC) No 1451/2007.

- (5) A new deadline should therefore be established for the submission of dossiers for those substances and product-types in accordance with the second subparagraph of Article 12(3) of that Regulation.
- (6) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Biocidal Products,

HAS ADOPTED THIS DECISION:
