Changes to legislation: There are currently no known outstanding effects for the Commission Implementing Decision of 10 December 2014 establishing the format for communicating information from Member States on the implementation of Directive 2012/18/EU of the European Parliament and of the Council on the control of major-accident hazards involving dangerous substances (notified under document C(2014) 9335) (Text with EEA relevance) (2014/896/EU), Introductory Text. (See end of Document for details)

Commission Implementing Decision of 10 December 2014 establishing the format for communicating information from Member States on the implementation of Directive 2012/18/EU of the European Parliament and of the Council on the control of major-accident hazards involving dangerous substances (notified under document C(2014) 9335) (Text with EEA relevance) (2014/896/EU)

COMMISSION IMPLEMENTING DECISION

of 10 December 2014

establishing the format for communicating information from Member States on the implementation of Directive 2012/18/EU of the European Parliament and of the Council on the control of major-accident hazards involving dangerous substances

(notified under document C(2014) 9335)

(Text with EEA relevance)

(2014/896/EU)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Directive 2012/18/EU of the European Parliament and of the Council of 4 July 2012 on the control of major-accident hazards involving dangerous substances, amending and subsequently repealing Council Directive 96/82/EC⁽¹⁾, and in particular Article 21(5) thereof,

Whereas:

- (1) Article 21(2) of Directive 2012/18/EU requires the Member States to report on the implementation of this Directive by 30 September 2019, and every four-years thereafter.
- (2) The Commission has developed a questionnaire to define the set of information to be made available by the Member States for the purposes of reporting on the implementation of the Directive.
- (3) The first reporting period should cover the period between 1 June 2015, date at which the Directive becomes fully applicable in the Member States, and 31 December 2018, to allow Member States the time necessary to assess the information collected and submit it to the Commission by 30 September 2019. The subsequent four-yearly reporting periods will cover the periods between 1 January of the first year of the reporting period and 31 December of the fourth year of the reporting period.
- (4) The measures provided for in this Decision are in accordance with the opinion of the Committee established by Article 22 of Council Directive 96/82/EC⁽²⁾,

HAS ADOPTED THIS DECISION:

Status: Point in time view as at 10/12/2014.

Changes to legislation: *There are currently no known outstanding effects for the Commission Implementing Decision of 10 December 2014 establishing the format for communicating information from Member States on the implementation of Directive 2012/18/EU of the European Parliament and of the Council on the control of major-accident hazards involving dangerous substances (notified under document C(2014) 9335) (Text with EEA relevance) (2014/896/EU), Introductory Text. (See end of Document for details)*
