Conference nor the General Council has decided to extend paragraph 4 of Annex A by that date.

2. Recognizing the importance of enhanced transparency of TRQ administration and fill rates as well as a timely submission of notifications by Members, and acknowledging that the on-line agriculture notification system should lead to improved harmonization, the Committee agrees on the following:
  - a) The Secretariat will prepare a list of the existing TRQ notification practices of Members including in cases where a scheduled TRQ was not opened.
  - b) The Committee will initiate discussions on harmonization of Members' TRQ notification practices, including for the TRQ fill rates.
  - c) The Committee encourages Members to include an explanation in their Table MA:2 notifications in cases where scheduled TRQs are not opened.
  - d) The Secretariat will regularly update the information on TRQ administration and fill rates as included in G/AG/W/183<sup>(1)</sup> as well the updated information on which Members have notified fill rates and on questions raised in the Committee concerning fill rates.
3. The Committee agrees to undertake regular reviews of the operation of the Bali TRQ Decision every three years after the conclusion of this review. These regular reviews will include, inter alia, an examination of the utilization of the Underfill Mechanism based on submissions by Members.
