

Council Directive of 21 December 1977 on the approximation of the laws of the Member States relating to the defrosting and demisting systems of glazed surfaces of motor vehicles (78/317/EEC) (repealed)

*Article 5*

Any amendments necessary to adapt the requirements of Annexes I, II, III, IV, V and VI to technical progress shall be adopted in accordance with the procedure laid down in Article 13 of Directive 70/156/EEC.

However, this procedure shall not apply to amendments introducing requirements for defrosting and demisting systems of glazed surfaces other than those of windscreens.
