- 1 The coordination measures prescribed by this Directive shall apply to
- a credit institutions within the meaning of the first indent of Article 1 of Directive 77/780/EEC which are companies or firms as defined in the second paragraph of Article 58 of the Treaty;
 - b financial institutions having one of the legal forms referred to in Article 1 (1) of Directive 78/660/EEC which, on the basis of paragraph 2 of that Article, are not subject to that Directive.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

For the purposes of this Directive ‘credit institutions’ shall also include financial institutions unless the context requires otherwise.

- 2 The Member States need not apply this Directive to:
- a the credit institutions listed in Article 2 (2) of Directive 77/780/EEC;
 - b institutions of the same Member State which, as defined in Article 2 (4) (a) of Directive 77/780/EEC, are affiliated to a central body in that Member State. In that case, without prejudice to the application of this Directive to the central body, the whole constituted by the central body and its affiliated institutions must be the subject of consolidated accounts including an annual report which shall be drawn up, audited and published in accordance with this Directive;
 - c the following credit institutions:
 - in Greece: ETEBA (National Investment Bank for Industrial Development) and Τράπεζα Επενδύσεων (Investment Bank),
 - in Ireland: Industrial and Provident Societies,
 - in the United Kingdom: Friendly Societies and Industrial and Provident Societies.
- 4 Without prejudice to Article 2 (3) of Directive 78/660/EEC and pending subsequent coordination, the Member States may:
- a in the case of the credit institutions referred to in Article 2 (1) (a) of this Directive which are not companies of any of the types listed in Article 1 (1) of Directive 78/660/EEC, lay down rules derogating from this Directive where derogating rules are necessary because of such institutions' legal form;
 - b in the case of specialized credit institutions, lay down rules derogating from this Directive where derogating rules are necessary because of the special nature of such institutions' business.

Such derogating rules may provide only for adaptations to the layout, nomenclature, terminology and content of items in the balance sheet and the profit and loss account; they may not have the effect of permitting the institutions to which they apply to provide less information in their annual accounts than other institutions subject to this Directive.

The Member States shall inform the Commission of those credit institutions, possibly by category, within six months of the end of the period stipulated in Article 47 (2). They shall inform the Commission of the derogations laid down to that end.

These derogations shall be reviewed within 10 years of the notification of this Directive. The Commission shall, if appropriate, submit suitable proposals. It shall also submit an interim report within five years of the notification of this Directive.
