

Council Directive of 26 March 1990 laying down the conditions governing the preparation, placing on the market and use of medicated feedingstuffs in the Community (90/167/EEC)

*Article 7*

1 Member States shall take all necessary measures to ensure that a medicated feedingstuff cannot be held, placed on the market or used unless it has been manufactured in accordance with this Directive.

2 Subject to the requirements of Article 4 (2) of Directive 81/851/EEC with regard to the tests to be carried out on veterinary medicinal products, Member States may, however, for scientific purposes, provide for derogations from this Directive, provided there is adequate official control.
