

Council Directive 92/13/EEC of 25 February 1992 coordinating the laws, regulations and administrative provisions relating to the application of Community rules on the procurement procedures of entities operating in the water, energy, transport and telecommunications sectors

CHAPTER 3

Corrective mechanism

[^{F1}Article 8

Corrective mechanism

[^{F21} The Commission may invoke the procedure provided for in paragraphs 2 to 5 when, prior to a contract being concluded, it considers that a serious infringement of Union law in the field of procurement has been committed during a contract award procedure falling within the scope of Directive 2014/25/EU or Directive 2014/23/EU, or in relation to Article 26(1) of Directive 2014/25/EU in the case of contracting entities to which that provision applies.]

2 The Commission shall notify the Member State concerned of the reasons which have led it to conclude that a serious infringement has been committed and request its correction by appropriate means.

3 Within 21 calendar days of receipt of the notification referred to in paragraph 2, the Member State concerned shall communicate to the Commission:

- a its confirmation that the infringement has been corrected;
- b a reasoned submission as to why no correction has been made; or
- c a notice to the effect that the contract award procedure has been suspended either by the contracting entity on its own initiative or on the basis of the powers specified in Article 2(1)(a).

4 A reasoned submission communicated pursuant to paragraph 3(b) may rely among other matters on the fact that the alleged infringement is already the subject of judicial review proceedings or of a review as referred to in Article 2(9). In such a case, the Member State shall inform the Commission of the result of those proceedings as soon as it becomes known.

5 Where notice has been given that a contract award procedure has been suspended in accordance with paragraph 3(c), the Member State concerned shall notify the Commission when the suspension is lifted or another contract procedure relating in whole or in part to the same subject matter is begun. That new notification shall confirm that the alleged infringement has been corrected or include a reasoned submission as to why no correction has been made.]
