

Council Directive 92/65/EEC of 13 July 1992 laying down animal health requirements governing trade in and imports into the Community of animals, semen, ova and embryos not subject to animal health requirements laid down in specific Community rules referred to in Annex A (I) to Directive 90/425/EEC

CHAPTER III

Provisions applicable to imports into the Community

Article 19

The following shall be decided under the procedure laid down in Article 26:

- (a) specific animal health requirements, for imports into the Community, and the nature and content of accompanying documents for animals intended for zoos, circuses, amusement parks or experimental laboratories, according to the species;
- (b) additional guarantees to those provided for in respect of the various animal species covered by this Directive, to protect the Community species concerned.
