

Directive 94/11/EC of European Parliament and Council of 23 March 1994 on the approximation of the laws, regulations and administrative provisions of the Member States relating to labelling of the materials used in the main components of footwear for sale to the consumer

*Article 3*

Without prejudice to other relevant Community provisions, Member States shall not prohibit or impede the placing on the market of footwear which complies with the labelling requirements of this Directive, by the application of unharmonized national provisions governing the labelling of certain types of footwear or of footwear in general.
