

Council Directive 98/49/EC of 29 June 1998 on safeguarding the supplementary pension rights of employed and self-employed persons moving within the Community

CHAPTER I

OBJECTIVE AND SCOPE

Article 1

The aim of this Directive is to protect the rights of members of supplementary pension schemes who move from one Member State to another, thereby contributing to the removal of obstacles to the free movement of employed and self-employed persons within the Community. Such protection refers to pension rights under both voluntary and compulsory supplementary pension schemes, with the exception of schemes covered by Regulation (EEC) No 1408/71.

Article 2

This Directive shall apply to members of supplementary pension schemes and others holding entitlement under such schemes who have acquired or are in the process of acquiring rights in one or more Member States.
