

Council Directive 98/58/EC of 20 July 1998 concerning
the protection of animals kept for farming purposes

Article 4

Members States shall ensure that the conditions under which animals (other than fish, reptiles or amphibians) are bred or kept, having regard to their species and to their degree of development, adaptation and domestication, and to their physiological and ethological needs in accordance with established experience and scientific knowledge, comply with the provisions set out in the Annex.
