Editorial Information

- X1** Substituted by Corrigendum to Council Directive 2000/29/EC of 8 May 2000 on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community (Official Journal of the European Union L 169 of 10 July 2000).

Textual Amendments

- F1** Substituted by Commission Implementing Directive 2014/78/EU of 17 June 2014 amending Annexes I, II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F2** Deleted by Commission Implementing Directive 2014/78/EU of 17 June 2014 amending Annexes I, II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F3** Substituted by Commission Directive 2004/102/EC of 5 October 2004 amending Annexes II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F4** Substituted by Commission Implementing Directive (EU) 2017/1279 of 14 July 2017 amending Annexes I to V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F5** Deleted by Commission Directive 2004/102/EC of 5 October 2004 amending Annexes II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F6** Inserted by Commission Implementing Directive 2014/78/EU of 17 June 2014 amending Annexes I, II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F7** Substituted by Commission Implementing Directive 2014/83/EU of 25 June 2014 amending Annexes I, II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F8** Inserted by Commission Directive 2004/102/EC of 5 October 2004 amending Annexes II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F9** Inserted by Commission Implementing Directive (EU) 2017/1279 of 14 July 2017 amending Annexes I to V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.

Status: EU Directives are published on this site to aid cross referencing from UK legislation. Since IP completion day (31 December 2020 11.00 p.m.) no amendments have been applied to this version.

- F10** Inserted by Commission Directive 2002/36/EC of 29 April 2002 amending certain Annexes to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F11** Deleted by Commission Directive 2009/118/EC of 9 September 2009 amending Annexes II to V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F12** Substituted by Commission Directive 2003/116/EC of 4 December 2003 amending Annexes II, III, IV and V to Council Directive 2000/29/EC as regards the harmful organism *Erwinia amylovora* (Burr.) Winsl. et al..
- F13** Substituted by Council Directive 2002/89/EC of 28 November 2002 amending Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F14** Inserted by Commission Directive 2009/7/EC of 10 February 2009 amending Annexes I, II, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F15** Deleted by Commission Directive 2009/7/EC of 10 February 2009 amending Annexes I, II, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F16** Substituted by Commission Directive 2002/36/EC of 29 April 2002 amending certain Annexes to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F17** Deleted by Commission Directive 2003/47/EC of 4 June 2003 amending Annexes II, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F18** Deleted by Act concerning the conditions of accession of the Czech Republic, the Republic of Estonia, the Republic of Cyprus, the Republic of Latvia, the Republic of Lithuania, the Republic of Hungary, the Republic of Malta, the Republic of Poland, the Republic of Slovenia and the Slovak Republic and the adjustments to the Treaties on which the European Union is founded.
- F19** Inserted by Commission Directive 2004/31/EC of 17 March 2004 amending Annexes I, II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.

Section II

PLANTS, PLANT PRODUCTS AND OTHER OBJECTS ORIGINATING IN THE COMMUNITY

Plants, plant products and other objects	Special requirements
[^{F5}]	
[^{F72}].	Wood of <i>Platanus</i> L., including wood which has not kept its natural round surface. Official statement that: (a) the wood originates in areas known to be free from <i>Ceratocystis platani</i> (J. M. Walter) Engelbr. & T. C. Harr., or

^a OJ L 225, 12.10.1970, p. 1. Directive as last amended by Directive 98/96/EC (OJ L 25, 1.2.1999, p. 27).

Status: EU Directives are published on this site to aid cross referencing from UK legislation. Since IP completion day (31 December 2020 11.00 p.m.) no amendments have been applied to this version.

		(b) there shall be evidence by a mark 'kiln-dried', 'KD' or another internationally recognised mark, put on the wood or on its packaging in accordance with current commercial usage, that it has undergone kiln-drying to below 20 % moisture content, expressed as a percentage of dry matter, at time of manufacture, achieved through an appropriate time/temperature schedule.]

Textual Amendments

F22 Deleted by [Commission Directive 2001/33/EC of 8 May 2001 amending certain annexes to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.](#)

Status: EU Directives are published on this site to aid cross referencing from UK legislation. Since IP completion day (31 December 2020 11.00 p.m.) no amendments have been applied to this version.

- F23** Substituted by Commission Directive 2009/118/EC of 9 September 2009 amending Annexes II to V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F24** Substituted by Commission Directive 2005/16/EC of 2 March 2005 amending Annexes I to V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F25** Inserted by Act concerning the conditions of accession of the Czech Republic, the Republic of Estonia, the Republic of Cyprus, the Republic of Latvia, the Republic of Lithuania, the Republic of Hungary, the Republic of Malta, the Republic of Poland, the Republic of Slovenia and the Slovak Republic and the adjustments to the Treaties on which the European Union is founded.
- F26** Deleted by Commission Directive 2002/28/EC of 19 March 2002 amending certain annexes to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F27** Inserted by Commission Implementing Directive 2014/83/EU of 25 June 2014 amending Annexes I, II, III, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F28** Deleted by Commission Directive 2008/64/EC of 27 June 2008 amending Annexes I to IV to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F29** Substituted by Commission Directive 2003/47/EC of 4 June 2003 amending Annexes II, IV and V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F30** Substituted by Commission Directive 2004/70/EC of 28 April 2004 amending Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community (Text with EEA relevance).
- F31** Deleted by Commission Directive 2005/16/EC of 2 March 2005 amending Annexes I to V to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F32** Deleted by Commission Directive 2006/35/EC of 24 March 2006 amending Annexes I to IV to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
- F33** Substituted by Commission Directive 2010/1/EU of 8 January 2010 amending Annexes II, III and IV to Council Directive 2000/29/EC on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community.
