Article 28

Proof of liquidators' appointment

1 The administrator or liquidator's appointment shall be evidenced by a certified copy of the original decision appointing him or by any other certificate issued by the administrative or judicial authority of the home Member State.

A translation into the official language or one of the official languages of the Member State within the territory of which the administrator or liquidator wishes to act may be required. No legalisation or other similar formality shall be required.

2 Administrators and liquidators shall be entitled to exercise within the territory of all the Member States all the powers which they are entitled to exercise within the territory of the home Member State. They may also appoint persons to assist or, where appropriate, represent them in the course of the reorganisation measure or winding-up proceedings, in particular in host Member States and, specifically, in order to help overcome any difficulties encountered by creditors in the host Member State.

3 In exercising his powers, an administrator or liquidator shall comply with the law of the Member States within the territory of which he wishes to take action, in particular with regard to procedures for the realisation of assets and the provision of information to employees. Those powers may not include the use of force or the right to rule on legal proceedings or disputes.
