TITLE II

GENERAL PROVISIONS CONCERNING THE OFFICIAL LISTING OF SECURITIES

CHAPTER IV

Powers of the national competent authorities

Section 1

Decision of admission

Article 11

1 The competent authorities referred to in Article 105 shall decide on the admission of securities to official listing on a stock exchange situated or operating within their territories.

Status: EU Directives are published on this site to aid cross referencing from UK legislation. Since IP completion day (31 December 2020 11.00 p.m.) no amendments have been applied to this version.

2 Without prejudice to the other powers conferred upon them, the competent authorities may reject an application for the admission of a security to official listing if, in their opinion, the issuer's situation is such that admission would be detrimental to investors' interests.

Article 12

By way of derogation from Article 8, Member States may, solely in the interests of protecting the investors, give the competent authorities power to make the admission of a security to official listing subject to any special condition which the competent authorities consider appropriate and of which they have explicitly informed the applicant.

Article 13

1 Where applications are to be made simultaneously or within short intervals of one another for admission of the same securities to official listing on stock exchanges situated or operating in more than one Member State, or where an application for admission is made in respect of a security already listed on a stock exchange in another Member State, the competent authorities shall communicate with each other and make such arrangements as may be necessary to expedite the procedure and simplify as far as possible the formalities and any additional conditions required for admission of the security concerned.

2 In order to facilitate the work of the competent authorities, any application for the admission of a security to official listing on a stock exchange situated or operating in a Member State must state whether a similar application is being or has been made in another Member State, or will be made in the near future.

Article 14

The competent authorities may refuse to admit to official listing a security already officially listed in another Member State where the issuer fails to comply with the obligations resulting from admission in that Member State.

Article 15

Where an application for admission to official listing relates to certificates representing shares, the application shall be considered only if the competent authorities are of the opinion that the issuer of the certificates is offering adequate safeguards for the protection of investors.

Section 2

Information requested by the competent authorities

Article 16

1 An issuer whose securities are admitted to official listing shall provide the competent authorities with all the information which the latter consider appropriate in order to protect investors or ensure the smooth operation of the market.

2 Where protection of investors or the smooth operation of the market so requires, an issuer may be required by the competent authorities to publish such information in such a form and within such time limits as they consider appropriate. Should the issuer fail to comply with such requirement, the competent authorities may themselves publish such information after having heard the issuer.

Section 3

Action against an issuer failing to comply with the obligations resulting from admission

Article 17

Without prejudice to any other action or penalties which they may contemplate in the event of failure on the part of the issuer to comply with the obligations resulting from admission to official listing, the competent authorities may make public the fact that an issuer is failing to comply with those obligations.

Section 4

Suspension and discontinuance

Article 18

- 1 The competent authorities may decide to suspend the listing of a security where the smooth operation of the market is, or may be, temporarily jeopardised or where protection of investors so requires.
- 2 The competent authorities may decide that the listing of the security be discontinued where they are satisfied that, owing to special circumstances, normal regular dealings in a security are no longer possible.

Section 5

Right to apply to the courts in case of refusal of admission or discontinuance

Article 19

- 1 Member States shall ensure decisions of the competent authorities refusing the admission of a security to official listing or discontinuing such a listing shall be subject to the right to apply to the courts.
- 2 An applicant shall be notified of a decision regarding his application for admission to official listing within six months of receipt of the application or, should the competent authority require any further information within that period, within six months of the applicant's supplying such information.
- 3 Failure to give a decision within the time limit specified in paragraph 2 shall be deemed a rejection of the application. Such rejection shall give rise to the right to apply to the courts provided for in paragraph 1.
