

Council Directive 2002/56/EC of 13 June 2002 on the marketing of seed potatoes

*Article 27*

1 Specific conditions may be established in accordance with the procedure referred to in Article 25(2) to take account of developments in the areas of:

- a conditions under which chemically treated seed may be marketed;
- b conditions under which seed may be marketed in relation to the conservation *in situ* and the sustainable use of plant genetic resources, which are associated with specific natural and semi-natural habitats and are threatened by genetic erosion;
- c conditions under which seed suitable for organic production may be marketed.

2 The specific conditions referred to in paragraph 1(b) shall include in particular the following points:

- a the seed of these species shall be of a known provenance approved by the appropriate authority in each Member State for marketing the seed in defined areas;
- b appropriate quantitative restrictions.
