CHAPTER II

SUPPLEMENTARY SUPERVISION

SECTION 1

SCOPE

Article 5

Scope of supplementary supervision of regulated entities referred to in Article 1

1 Without prejudice to the provisions on supervision contained in the sectoral rules, Member States shall provide for the supplementary supervision of the regulated entities referred to in Article 1, to the extent and in the manner prescribed in this Directive.

2 The following regulated entities shall be subject to supplementary supervision at the level of the financial conglomerate in accordance with Articles 6 to 17:

- a every regulated entity which is at the head of a financial conglomerate;
- [^{F1}b every regulated entity, the parent undertaking of which is a mixed financial holding company which has its head office in the Union;]
- c every regulated entity linked with another financial sector entity by a relationship within the meaning of Article 12(1) of Directive 83/349/EEC.

Where a financial conglomerate is a subgroup of another financial conglomerate which meets the requirements of the first subparagraph, Member States may apply Articles 6 to 17 to the regulated entities within the latter group only and any reference in the Directive to the terms group and financial conglomerate will then be understood as referring to that latter group.

[^{F13} Every regulated entity which is not subject to supplementary supervision in accordance with paragraph 2, the parent undertaking of which is a regulated entity or a mixed financial holding company which has its head office in a third country, shall be subject to supplementary supervision at the level of the financial conglomerate to the extent and in the manner prescribed in Article 18.]

4 Where persons hold participations or capital ties in one or more regulated entities or exercise significant influence over such entities without holding a participation or capital ties, other than the cases referred to in paragraphs 2 and 3, the relevant competent authorities shall, by common agreement and in conformity with national law, determine whether and to what extent supplementary supervision of the regulated entities is to be carried out, as if they constitute a financial conglomerate.

[^{F1}In order to apply such supplementary supervision, at least one of the entities must be a regulated entity as referred to in Article 1 and the conditions set out in Article 2(14)(a)(ii) or (14)(b)(ii) and Article 2(14)(a)(iii) or (14)(b)(iii) must be met. The relevant competent authorities shall take their decision, taking into account the objectives of the supplementary supervision as provided for by this Directive.]

For the purposes of applying the first subparagraph to ‘cooperative groups’, the competent authorities must take into account the public financial commitment of these groups with respect to other financial entities.

5 Without prejudice to Article 13, the exercise of supplementary supervision at the level of the financial conglomerate shall in no way imply that the competent authorities are required to play a supervisory role in relation to mixed financial holding companies, third-country regulated entities in a financial conglomerate or unregulated entities in a financial conglomerate, on a stand-alone basis.
