F5 Substituted by Council Directive 2013/22/EU of 13 May 2013 adapting certain directives in the field of transport policy, by reason of the accession of the Republic of Croatia.

3. Security, including data protection

The aim of the various constituent parts of the card is to rule out any forgery or tampering and to detect any attempts to do so.

The Member State must ensure that the level of security of the card is at least comparable to the level of security of the driving licence.

4. Particular arrangements

After consulting the Commission, Member States may add colours or markings, such as a bar code, national symbols and security features, without prejudice to the other provisions of this Annex.

In connection with the mutual recognition of cards, the bar code may not contain any information other than that already legibly appearing on the driver qualification card or which is essential for the card-issuing process.

[^{F65} Transitional provisions

Driver qualification cards issued before 23 May 2020 shall be valid until their date of expiry.]
