

Directive 2003/98/EC of the European Parliament and of the Council
of 17 November 2003 on the re-use of public sector information

CHAPTER III

CONDITIONS FOR RE-USE

[^{F1}Article 9

Practical arrangements

Member States shall make practical arrangements facilitating the search for documents available for re-use, such as asset lists of main documents with relevant metadata, accessible where possible and appropriate online and in machine-readable format, and portal sites that are linked to the asset lists. Where possible Member States shall facilitate the cross-linguistic search for documents.]

Textual Amendments

- F1** Substituted by [Directive 2013/37/EU of the European Parliament and of the Council of 26 June 2013 amending Directive 2003/98/EC on the re-use of public sector information \(Text with EEA relevance\)](#).
