

Directive 2004/10/EC of the European Parliament and of the Council of 11 February 2004 on the harmonisation of laws, regulations and administrative provisions relating to the application of the principles of good laboratory practice and the verification of their applications for tests on chemical substances (codified version) (Text with EEA relevance)

*Article 2*

When submitting results, the laboratories referred to in Article 1 shall certify that the tests have been carried out in conformity with the principles of GLP referred to in that Article.
