

Corrigendum to Directive 2004/41/EC of the European Parliament and of the Council of 21 April 2004 repealing certain directives concerning food hygiene and health conditions for the production and placing on the market of certain products of animal origin intended for human consumption and amending Council Directives 89/662/EEC and 92/118/EEC and Council Decision 95/408/EC

(Official Journal of the European Union L 157 of 30 April 2004)

Directive 2004/41/EC should read as follows:

**DIRECTIVE 2004/41/EC OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL
of 21 April 2004
repealing certain directives concerning food hygiene and health conditions for the production and placing on the market of certain products of animal origin intended for human consumption and amending Council Directives 89/662/EEC and 92/118/EEC and Council Decision 95/408/EC**

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 37, 95 and 152(4)(b) thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the European Economic and Social Committee ⁽²⁾,

Having consulted the Committee of the Regions,

Acting in accordance with the procedure laid down in Article 251 of the Treaty ⁽³⁾,

Whereas:

(1) Several directives lay down animal and public health rules for the production and placing on the market of products of animal origin.

(2) The following acts contain new rules recasting and updating the rules in those directives:

— Regulation (EC) No 852/2004 of the European Parliament and of the Council of 29 April 2004 on the hygiene of foodstuffs ⁽⁴⁾,

— Regulation (EC) No 853/2004 of the European Parliament and of the Council of 29 April 2004 laying down specific hygiene rules for food of animal origin ⁽⁴⁾,

— Regulation (EC) No 854/2004 of the European Parliament and of the Council of 29 April 2004 laying down specific rules for the organisation of official controls on products of animal origin intended for human consumption ⁽⁴⁾,

and

— Council Directive 2002/99/EC of 16 December 2002 laying down the animal health rules governing the production, processing, distribution and introduction of products of animal origin for human consumption ⁽⁵⁾.

(3) It is therefore appropriate to repeal the earlier directives. Since Regulation (EC) No 852/2004 provides for the repeal of Council Directive 93/43/EEC of 14 June 1993 on the Hygiene of foodstuffs ⁽⁶⁾, this Directive need only repeal the directives concerning products of animal origin.

(4) The requirements of Council Directive 72/462/EEC ⁽⁷⁾ should continue to apply only to the import of live animals, since the new hygiene rules and Directive 2002/99/EC will supersede its rules on fresh meat and meat products.

(5) It is necessary, however, to provide for certain implementing rules to remain in force pending the taking of necessary measures under the new legal framework.

Directive as last amended by Council Regulation (EC) No 807/2003 (OJ L 122, 16.5.2003, p. 36).

(6) Amendments to Council Directives 89/662/EEC ⁽¹⁾ and 92/118/EEC ⁽²⁾ and to Council Decision 95/408/EC ⁽³⁾ are also necessary to take account of the recasting exercise,
