CHAPTER 3

CODES OF CONDUCT

Article 10

Codes of conduct

This Directive does not exclude the control, which Member States may encourage, of unfair commercial practices by code owners and recourse to such bodies by the persons or organisations referred to in Article 11 if proceedings before such bodies are in addition to the court or administrative proceedings referred to in that Article.

Recourse to such control bodies shall never be deemed the equivalent of foregoing a means of judicial or administrative recourse as provided for in Article 11.
