

Directive 2005/32/EC of the European Parliament and of the Council of 6 July 2005 establishing a framework for the setting of ecodesign requirements for energy-using products and amending Council Directive 92/42/EEC and Directives 96/57/EC and 2000/55/EC of the European Parliament and of the Council (repealed)

*Article 23*

**Review**

Not later than 6 July 2010 the Commission shall review the effectiveness of this Directive and of its implementing measures, the threshold for implementing measures, market surveillance mechanisms and any relevant self-regulation stimulated, after consultation of the Consultation Forum referred to in Article 18, and, as appropriate, present proposals to the European Parliament and the Council for amending this Directive.
