CHAPTER III

Recognition on the basis of coordination of minimum training conditions

Section 2

Doctors of medicine

Article 27

Acquired rights specific to specialised doctors

1 A host Member State may require of specialised doctors whose part-time specialist medical training was governed by legislative, regulatory and administrative provisions in force as of 20 June 1975 and who began their specialist training no later than 31 December 1983 that their evidence of formal qualifications be accompanied by a certificate stating that they have been effectively and lawfully engaged in the relevant activities for at least three consecutive years during the five years preceding the award of that certificate.

2 Every Member State shall recognise the qualification of specialised doctors awarded in Spain to doctors who completed their specialist training before 1 January 1995, even if that training does not satisfy the minimum training requirements provided for in Article 25, in so far as that qualification is accompanied by a certificate issued by the competent Spanish authorities and attesting that the person concerned has passed the examination in specific professional competence held in the context of exceptional measures concerning recognition laid down in Royal Decree 1497/99, with a view to ascertaining that the person concerned possesses a level of knowledge and skill comparable to that of doctors who possess a qualification as a specialised doctor defined for Spain in Annex V, points 5.1.2 and 5.1.3.

3 Every Member State which has repealed its legislative, regulatory or administrative provisions relating to the award of evidence of formal qualifications as a specialised doctor referred to in Annex V, points 5.1.2 and 5.1.3 and which has adopted measures relating to acquired rights benefiting its nationals, shall grant nationals of other Member States the right to benefit from those measures, in so far as such evidence of formal qualifications was issued before the date on which the host Member State ceased to issue such evidence for the specialty in question.

The dates on which these provisions were repealed are set out in Annex V, point 5.1.3.
