

Directive 2005/36/EC of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications (Text with EEA relevance)

TITLE III

FREEDOM OF ESTABLISHMENT

CHAPTER III

Recognition on the basis of coordination of minimum training conditions

Section 4

Dental practitioners

Article 37

Acquired rights specific to dental practitioners

1 Every Member State shall, for the purposes of the pursuit of the professional activities of dental practitioners under the qualifications listed in Annex V, point 5.3.2, recognise evidence of formal qualifications as a doctor [^{F1}issued in Italy, Spain, Austria, the Czech Republic, Slovakia and Romania] to persons who began their medical training on or before the reference date stated in that Annex for the Member State concerned, accompanied by a certificate issued by the competent authorities of that Member State.

The certificate must show that the two following conditions are met:

- a that the persons in question have been effectively, lawfully and principally engaged in that Member State in the activities referred to in Article 36 for at least three consecutive years during the five years preceding the award of the certificate;
- b that those persons are authorised to pursue the said activities under the same conditions as holders of evidence of formal qualifications listed for that Member State in Annex V, point 5.3.2.

Persons who have successfully completed at least three years of study, certified by the competent authorities in the Member State concerned as being equivalent to the training referred to in Article 34, shall be exempt from the three-year practical work experience referred to in the second subparagraph, point (a).

With regard to the Czech Republic and Slovakia, evidence of formal qualifications obtained in the former Czechoslovakia shall be accorded the same level of recognition as Czech and Slovak evidence of formal qualifications and under the same conditions as set out in the preceding subparagraphs.

2 Each Member State shall recognise evidence of formal qualifications as a doctor issued in Italy to persons who began their university medical training after 28 January 1980 and no later than 31 December 1984, accompanied by a certificate issued by the competent Italian authorities.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

The certificate must show that the three following conditions are met:

- a that the persons in question passed the relevant aptitude test held by the competent Italian authorities with a view to establishing that those persons possess a level of knowledge and skills comparable to that of persons possessing evidence of formal qualifications listed for Italy in Annex V, point 5.3.2;
- b that they have been effectively, lawfully and principally engaged in the activities referred to in Article 36 in Italy for at least three consecutive years during the five years preceding the award of the certificate;
- c that they are authorised to engage in or are effectively, lawfully and principally engaged in the activities referred to in Article 36, under the same conditions as the holders of evidence of formal qualifications listed for Italy in Annex V, point 5.3.2.

Persons who have successfully completed at least three years of study certified by the competent authorities as being equivalent to the training referred to in Article 34 shall be exempt from the aptitude test referred to in the second subparagraph, point (a).

Persons who began their university medical training after 31 December 1984 shall be treated in the same way as those referred to above, provided that the abovementioned three years of study began before 31 December 1994.

[^{F23} As regards evidence of formal qualifications of dental practitioners, Member States shall recognise such evidence pursuant to Article 21 in cases where the applicants began their training on or before 18 January 2016.

4 Each Member State shall recognise evidence of formal qualifications as a doctor issued in Spain to professionals who began their university medical training between 1 January 1986 and 31 December 1997, accompanied by a certificate issued by the Spanish competent authorities.

The certificate shall confirm that the following conditions have been met:

- a the professional in question has successfully completed at least three years of study, certified by the Spanish competent authorities as being equivalent to the training referred to in Article 34;
- b the professional in question was effectively, lawfully and principally engaged in the activities referred to in Article 36 in Spain for at least three consecutive years during the five years preceding the award of the certificate;
- c the professional in question is authorised to engage in or is effectively, lawfully and principally engaged in the activities referred to in Article 36, under the same conditions as the holders of evidence of formal qualifications listed for Spain in point 5.3.2 of Annex V.]
