

Directive 2005/36/EC of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications (Text with EEA relevance)

TITLE III

FREEDOM OF ESTABLISHMENT

CHAPTER III

Recognition on the basis of coordination of minimum training conditions

Section 6

Midwives

Article 42

Pursuit of the professional activities of a midwife

1 The provisions of this section shall apply to the activities of midwives as defined by each Member State, without prejudice to paragraph 2, and pursued under the professional titles set out in Annex V, point 5.5.2.

2 The Member States shall ensure that midwives are able to gain access to and pursue at least the following activities:

- a provision of sound family planning information and advice;
- b diagnosis of pregnancies and monitoring normal pregnancies; carrying out the examinations necessary for the monitoring of the development of normal pregnancies;
- c prescribing or advising on the examinations necessary for the earliest possible diagnosis of pregnancies at risk;
- d provision of programmes of parenthood preparation and complete preparation for childbirth including advice on hygiene and nutrition;
- e caring for and assisting the mother during labour and monitoring the condition of the foetus *in utero* by the appropriate clinical and technical means;
- f conducting spontaneous deliveries including where required episiotomies and in urgent cases breech deliveries;
- g recognising the warning signs of abnormality in the mother or infant which necessitate referral to a doctor and assisting the latter where appropriate; taking the necessary emergency measures in the doctor's absence, in particular the manual removal of the placenta, possibly followed by manual examination of the uterus;
- h examining and caring for the new-born infant; taking all initiatives which are necessary in case of need and carrying out where necessary immediate resuscitation;
- i caring for and monitoring the progress of the mother in the post-natal period and giving all necessary advice to the mother on infant care to enable her to ensure the optimum progress of the new-born infant;
- j carrying out treatment prescribed by doctors;
