

Directive 2006/23/EC of the European Parliament and of the Council of 5 April 2006 on a Community air traffic controller licence (Text with EEA relevance)

Article 10

Unit endorsements

The unit endorsement shall indicate that the licence holder is competent to provide air traffic control services for a particular sector, group of sectors or working positions under the responsibility of an air traffic services unit.

Member States may, when deemed necessary for reasons of safety, provide that the privileges of a unit endorsement are only exercised by licence holders below a given age.
