CHAPTER XI

INTERNATIONAL ASPECTS

Article 46

Derogation in the case of equivalence

1 Member States may disapply or modify the requirements in Article 45(1) and (3) on the basis of reciprocity only if the third-country auditors or audit entities are subject to systems of public oversight, quality assurance and investigations and penalties in the third country that meet requirements equivalent to those of Articles 29, 30 and 32.

[^{F12} In order to ensure uniform conditions for the application of paragraph 1 of this Article, the Commission shall be empowered to decide upon the equivalence referred to therein by means of implementing acts. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 48(2). Once the Commission has recognised the equivalence referred to in paragraph 1 of this Article, Member States may decide to rely on such equivalence partially or entirely and thus to disapply or modify the requirements in Article 45(1) and (3) partially or entirely. Member States may assess the equivalence referred to in paragraph 1 of this Article or rely on the assessments carried out by other Member States as long as the Commission has not taken any such decision. If the Commission decides that the requirement of equivalence referred to in paragraph 1 of this Article is not complied with, it may allow the third-country auditors and third-country audit entities concerned to continue their audit activities in accordance with the requirements of the relevant Member State during an appropriate transitional period.

The Commission shall be empowered to adopt delegated acts in accordance with Article 48a for the purpose of establishing the general equivalence criteria, based on the requirements laid down in Articles 29, 30 and 32, which are to be used in assessing whether the public oversight, quality assurance, investigation and sanctions systems of a third country are equivalent to those of the Union. Such general criteria shall be used by Member States when assessing equivalence at national level in the absence of a Commission decision in respect of the third country concerned.]

- 3 Member States shall communicate to the Commission:
- a their assessments of the equivalence referred to in paragraph 2; and
 - b the main elements of their cooperative arrangements with third-country systems of public oversight, quality assurance and investigations and penalties, on the basis of paragraph 1.
