TITLE V

**PRINCIPLES AND TECHNICAL INSTRUMENTS FOR
PRUDENTIAL SUPERVISION AND DISCLOSURE**

CHAPTER 4

Supervision and disclosure by competent authorities

Section 1

Supervision

Article 127

1 Member States shall adopt any measures necessary, where appropriate, to include financial holding companies in consolidated supervision. Without prejudice to Article 135, the consolidation of the financial situation of the financial holding company shall not in any way imply that the competent authorities are required to play a supervisory role in relation to the financial holding company on a stand#alone basis.

2 When the competent authorities of a Member State do not include a credit institution subsidiary in supervision on a consolidated basis under one of the cases provided for in points (b) and (c) of Article 73(1), the competent authorities of the Member State in which that credit institution subsidiary is situated may ask the parent undertaking for information which may facilitate their supervision of that credit institution.

3 Member States shall provide that their competent authorities responsible for exercising supervision on a consolidated basis may ask the subsidiaries of a credit institution or a financial holding company, which are not included within the scope of supervision on a consolidated basis for the information referred to in Article 137. In such a case, the procedures for transmitting and verifying the information laid down in that Article shall apply.
