**PRINCIPLES AND TECHNICAL INSTRUMENTS FOR
PRUDENTIAL SUPERVISION AND DISCLOSURE**

CHAPTER 4

Supervision and disclosure by competent authorities

Section 1

Supervision

Article 138

1 Without prejudice to Chapter 2, Section 5, Member States shall provide that, where the parent undertaking of one or more credit institutions is a mixed-activity holding company, the competent authorities responsible for the supervision of these credit institutions shall exercise general supervision over transactions between the credit institution and the mixed-activity holding company and its subsidiaries.

2 Competent authorities shall require credit institutions to have in place adequate risk management processes and internal control mechanisms, including sound reporting and accounting procedures, in order to identify, measure, monitor and control transactions with their parent mixed-activity holding company and its subsidiaries appropriately. Competent authorities shall require the reporting by the credit institution of any significant transaction with these entities other than the one referred to in Article 110. These procedures and significant transactions shall be subject to overview by the competent authorities.

Where these intra-group transactions are a threat to a credit institution's financial position, the competent authority responsible for the supervision of the institution shall take appropriate measures.
