CHAPTER 4

Supervision and disclosure by competent authorities

Section 1

Supervision

Article 139

1 Member States shall take the necessary steps to ensure that there are no legal impediments preventing the exchange, as between undertakings included within the scope of supervision on a consolidated basis, mixed-activity holding companies and their subsidiaries, or subsidiaries of the kind covered in Article 127(3), of any information which would be relevant for the purposes of supervision in accordance with Articles 124 to 138 and this Article.

2 Where a parent undertaking and any of its subsidiaries that are credit institutions are situated in different Member States, the competent authorities of each Member State shall communicate to each other all relevant information which may allow or aid the exercise of supervision on a consolidated basis.

Where the competent authorities of the Member State in which a parent undertaking is situated do not themselves exercise supervision on a consolidated basis pursuant to Articles 125 and 126, they may be invited by the competent authorities responsible for exercising such supervision to ask the parent undertaking for any information which would be relevant for the purposes of supervision on a consolidated basis and to transmit it to these authorities.

[^{F13} Member States shall authorise the exchange between their competent authorities of the information referred to in paragraph 2, on the understanding that, in the case of financial holding companies, mixed financial holding companies, financial institutions or ancillary services undertakings, the collection or possession of information shall not in any way imply that the competent authorities are required to play a supervisory role in relation to those institutions or undertakings standing alone.]

Similarly, Member States shall authorise their competent authorities to exchange the information referred to in Article 137 on the understanding that the collection or possession of information does not in any way imply that the competent authorities play a supervisory role in relation to the mixed-activity holding company and those of its subsidiaries which are not credit institutions, or to subsidiaries of the kind covered in Article 127(3).
