

Directive 2006/7/EC of the European Parliament and of the Council of 15 February 2006 concerning the management of bathing water quality and repealing Directive 76/160/EEC

CHAPTER IV **U.K.**

FINAL PROVISIONS

Article 14 **U.K.**

Report and review

1 The Commission shall, by 2008, submit a report to the European Parliament and to the Council. The report shall have particular regard to:

- a the results of an appropriate European epidemiological study conducted by the Commission in collaboration with Member States;
- b other scientific, analytical and epidemiological developments relevant to the parameters for bathing water quality, including in relation to viruses; and
- c World Health Organisation recommendations.

2 Member States shall, by the end of 2014, submit written observations to the Commission on that report including on the need for any further research or assessments which may be required to assist the Commission in its review of this Directive under paragraph 3.

3 In the light of the report, the Member States' written observations and an extended impact assessment and bearing in mind experience gained from implementing this Directive, the Commission shall, no later than 2020, review this Directive with particular regard to the parameters for bathing water quality, including whether it would be appropriate to phase out the 'sufficient' classification or modify the applicable standards, and shall present if necessary appropriate legislative proposals in accordance with Article 251 of the Treaty.

f¹ Article 15 **U.K.**

Technical adaptations and implementing measures

1 The Commission shall, in accordance with the regulatory procedure referred to in Article 16(2), lay down the following:

- a detailed rules for the implementation of Article 8(1), Article 12(1)(a) and Article 12(4);
- b guidelines for a common method for the assessment of single samples.

2 The Commission shall adopt the following measures:

- a the specification of EN/ISO standard on the equivalence of microbiological methods for the purposes of Article 3(9);
- b any amendments necessary in order to adapt the methods of analysis for the parameters set out in Annex I in the light of scientific and technical progress;
- c any amendments necessary in order to adapt Annex V in the light of scientific and technical progress.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

Those measures, designed to amend non-essential elements of this Directive, *inter alia*, by supplementing it, shall be adopted in accordance with the regulatory procedure with scrutiny referred to in Article 16(3).

3 The Commission shall present a draft of the measures to be taken in accordance with paragraph 1(a) with respect to Article 12(1)(a) by 24 March 2010. Before doing so, it shall consult representatives of Member States, regional and local authorities, relevant tourist and consumer organisations and other interested parties. After the adoption of relevant rules, it shall publicise them via the Internet.]
