OPERATING CONDITIONS FOR INVESTMENT FIRMS

SECTION 2

Information to clients and potential clients

Article 32

(first indent of Article 19(3) of Directive 2004/39/EC) Information requirements concerning safeguarding of client financial instruments or client funds

1 Member States shall ensure that, where investment firms hold financial instruments or funds belonging to retail clients, they provide those retail clients or potential retail clients with such of the information specified in paragraphs 2 to 7 as is relevant.

2 The investment firm shall inform the retail client or potential retail client where the financial instruments or funds of that client may be held by a third party on behalf of the investment firm and of the responsibility of the investment firm under the applicable national law for any acts or omissions of the third party and the consequences for the client of the insolvency of the third party.

3 Where financial instruments of the retail client or potential retail client may, if permitted by national law, be held in an omnibus account by a third party, the investment firm shall inform the client of this fact and shall provide a prominent warning of the resulting risks.

4 The investment firm shall inform the retail client or potential retail client where it is not possible under national law for client financial instruments held with a third party to be separately identifiable from the proprietary financial instruments of that third party or of the investment firm and shall provide a prominent warning of the resulting risks.

5 The investment firm shall inform the client or potential client where accounts that contain financial instruments or funds belonging to that client or potential client are or will be subject to the law of a jurisdiction other than that of a Member State and shall indicate that the rights of the client or potential client relating to those financial instruments or funds may differ accordingly.

6 An investment firm shall inform the client about the existence and the terms of any security interest or lien which the firm has or may have over the client's financial instruments or funds, or any right of set-off it holds in relation to those instruments or funds. Where applicable, it shall also inform the client of the fact that a depository may have a security interest or lien over, or right of set-off in relation to those instruments or funds.
