

Council Directive 2007/33/EC of 11 June 2007 on the control of potato cyst nematodes and repealing Directive 69/465/EEC

CHAPTER III

CONTROL MEASURES

Article 13

If, after the officially approved measures referred to in Section III(C) of Annex III have been taken, the presence of potato cyst nematodes is not confirmed, the responsible official bodies of the Member State shall ensure that the official record referred to in Article 4(5), Article 8(1) and Article 8(2) is updated and any restrictions imposed on the field are revoked.
