

Council Directive 2007/33/EC of 11 June 2007 on the control of potato cyst nematodes and repealing Directive 69/465/EEC

CHAPTER IV

GENERAL AND FINAL PROVISIONS

Article 15

Member States may adopt in relation to their own production such additional or stricter measures as may be required to control potato cyst nematodes or to prevent them spreading in so far as they are in compliance with Directive 2000/29/EC.

Those measures shall be notified in writing to the Commission and to the other Member States.
