Article 13

Registration

Member States shall establish a public register of authorised payment institutions, their agents and branches, as well as of natural and legal persons, their agents and branches, benefiting from a waiver under Article 26, and of the institutions referred to in Article 2(3) that are entitled under national law to provide payment services. They shall be entered in the register of the home Member State.

This register shall identify the payment services for which the payment institution is authorised or for which the natural or legal person has been registered. Authorised payment institutions shall be listed in the register separately from natural and legal persons that have been registered in accordance with Article 26. The register shall be publicly available for consultation, accessible online, and updated on a regular basis.
