

Directive 2008/1/EC of the European Parliament and of the Council
of 15 January 2008 concerning integrated pollution prevention and
control (Codified version) (Text with EEA relevance) (repealed)

Article 13

Reconsideration and updating of permit conditions by the competent authority

- 1 Member States shall take the necessary measures to ensure that competent authorities periodically reconsider and, where necessary, update permit conditions.
- 2 The reconsideration shall be undertaken in any event where:
 - a the pollution caused by the installation is of such significance that the existing emission limit values of the permit need to be revised or new such values need to be included in the permit;
 - b substantial changes in the best available techniques make it possible to reduce emissions significantly without imposing excessive costs;
 - c the operational safety of the process or activity requires other techniques to be used;
 - d new provisions of Community or national legislation so dictate.
