

Directive 2008/115/EC of the European Parliament and of the Council  
of 16 December 2008 on common standards and procedures in  
Member States for returning illegally staying third-country nationals

CHAPTER IV

**DETENTION FOR THE PURPOSE OF REMOVAL**

*Article 16*

**Conditions of detention**

1 Detention shall take place as a rule in specialised detention facilities. Where a Member State cannot provide accommodation in a specialised detention facility and is obliged to resort to prison accommodation, the third-country nationals in detention shall be kept separated from ordinary prisoners.

2 Third-country nationals in detention shall be allowed — on request — to establish in due time contact with legal representatives, family members and competent consular authorities.

3 Particular attention shall be paid to the situation of vulnerable persons. Emergency health care and essential treatment of illness shall be provided.

4 Relevant and competent national, international and non-governmental organisations and bodies shall have the possibility to visit detention facilities, as referred to in paragraph 1, to the extent that they are being used for detaining third-country nationals in accordance with this Chapter. Such visits may be subject to authorisation.

5 Third-country nationals kept in detention shall be systematically provided with information which explains the rules applied in the facility and sets out their rights and obligations. Such information shall include information on their entitlement under national law to contact the organisations and bodies referred to in paragraph 4.
