3 In the case of credit agreements in the form of an overdraft facility and where the credit has to be repaid on demand or within three months, only Articles 1 to 3, Article 4(1), Article 4(2)(a) to (c), Article 4(4), Articles 6 to 9, Article 10(1), Article 10(4), Article 10(5), Articles 12, 15, 17 and Articles 19 to 32 shall apply.

Member States shall each year review whether the conditions for the application of any such exemption continue to exist and shall take action to withdraw the exemption where they consider that the conditions are no longer met.

6 Member States may determine that only Articles 1 to 4, 6, 7, 9, Article 10(1), points (a) to (i), (l) and (r) of Article 10(2), Article 10(4), Articles 11, 13, 16 and Articles 18 to 32 shall

apply to credit agreements which provide for arrangements to be agreed by the creditor and the consumer in respect of deferred payment or repayment methods, where the consumer is already in default on the initial credit agreement and where:

- a such arrangements would be likely to avert the possibility of legal proceedings concerning such default; and
- b the consumer would not thereby be subject to terms less favourable than those laid down in the initial credit agreement.

However, if the credit agreement falls within the scope of paragraph 3, only the provisions of that paragraph shall apply.

This provision shall not apply if the creditor is at the time of the request unwilling to proceed to the conclusion of the credit agreement with the consumer.

5 In the case of a credit agreement under which payments made by the consumer do not give rise to an immediate corresponding amortisation of the total amount of credit, but are used to constitute capital during periods and under conditions laid down in the credit agreement or in an ancillary agreement, the pre-contractual information required under paragraph 1 shall include a clear and concise statement that such credit agreements do not provide for a guarantee of repayment of the total amount of credit drawn down under the credit agreement, unless such a guarantee is given.

6 Member States shall ensure that creditors and, where applicable, credit intermediaries provide adequate explanations to the consumer, in order to place the consumer in a position enabling him to assess whether the proposed credit agreement is adapted to his needs and to his financial situation, where appropriate by explaining the pre-contractual information to be provided in accordance with paragraph 1, the essential characteristics of the products proposed and the specific effects they may have on the consumer, including the consequences of default in payment by the consumer. ### *Article 11*

#### **Information concerning the borrowing rate**

1 Where applicable, the consumer shall be informed of any change in the borrowing rate, on paper or another durable medium, before the change enters into force. The information shall state the amount of the payments to be made after the entry into force of the new borrowing rate and, if the number or frequency of the payments changes, particulars thereof.

2 However, the parties may agree in the credit agreement that the information referred to in paragraph 1 is to be given to the consumer periodically in cases where the change in the borrowing rate is caused by a change in a reference rate, the new reference rate is made publicly available by appropriate means and the information concerning the new reference rate is also kept available in the premises of the creditor.

### *Article 12*

#### **Obligations in connection with credit agreement in the form of an overdraft facility**

1 Where a credit agreement covers credit in the form of an overdraft facility, the consumer shall be kept regularly informed by means of a statement of account, on paper or on another durable medium, containing the following particulars:

- a the precise period to which the statement of account relates;
- b the amounts and dates of drawdowns;
- c the balance from the previous statement, and the date thereof;
- d the new balance;
- e the dates and amounts of payments made by the consumer;
- f the borrowing rate applied;
- g any charges that have been applied;
- h where applicable, the minimum amount to be paid.

2 In addition, the consumer shall be informed on paper or another durable medium of increases in the borrowing rate, or in any charges payable, before the change in question enters into force.

However, the parties may agree in the credit agreement that information concerning changes in the borrowing rate is to be given in the manner provided for in paragraph 1 in cases where the change in the borrowing rate is caused by a change in a reference rate, the new reference rate is made publicly available by appropriate means and the information concerning the new reference rate is also kept available in the premises of the creditor.

### *Article 13*

#### **Open-end credit agreements**

1 The consumer may effect standard termination of an open-end credit agreement free of charge at any time unless the parties have agreed on a period of notice. Such a period may not exceed one month.

---

*Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.*

---

If agreed in the credit agreement, the creditor may effect standard termination of an open-end credit agreement by giving the consumer at least two months' notice drawn up on paper or on another durable medium.

2 If agreed in the credit agreement, the creditor may, for objectively justified reasons, terminate the consumer's right to draw down on an open-end credit agreement. The creditor shall inform the consumer of the termination and the reasons for it on paper or on another durable medium, where possible before the termination and at the latest immediately thereafter, unless the provision of such information is prohibited by other Community legislation or is contrary to objectives of public policy or public security.

#### Article 14

### Right of withdrawal

1 The consumer shall have a period of 14 calendar days in which to withdraw from the credit agreement without giving any reason.

That period of withdrawal shall begin

- a either from the day of the conclusion of the credit agreement, or
- b from the day on which the consumer receives the contractual terms and conditions and information in accordance with Article 10, if that day is later than the date referred to in point (a) of this subparagraph.

2 Where in the case of a linked credit agreement, as defined in Article 3(n), national legislation at the time of the entry into force of this Directive already provides that funds cannot be made available to the consumer before the expiry of a specific period, Member States may exceptionally provide that the period referred to in paragraph 1 of this Article may be reduced to this specific period at the explicit request of the consumer.

3 If the consumer exercises his right of withdrawal, he shall:

- a in order to give effect to the withdrawal before the expiry of the deadline referred to in paragraph 1, notify this to the creditor in line with the information given by the creditor pursuant to Article 10(2)(p) by means which can be proven in accordance with national law. The deadline shall be deemed to have been met if that notification, if it is on paper or on another durable medium that is available and accessible to the creditor, is dispatched before the deadline expires; and
- b pay to the creditor the capital and the interest accrued thereon from the date the credit was drawn down until the date the capital is repaid, without any undue delay and no later than 30 calendar days after the despatch by him to the creditor of notification of the withdrawal. The interest shall be calculated on the basis of the agreed borrowing rate. The creditor shall not be entitled to any other compensation from the consumer in the event of withdrawal, except compensation for any non-returnable charges paid by the creditor to any public administrative body.

4 If an ancillary service relating to the credit agreement is provided by the creditor or by a third party on the basis of an agreement between the third party and the creditor, the consumer shall no longer be bound by the ancillary service contract if the consumer exercises his right of withdrawal from the credit agreement in accordance with this Article.

5 If the consumer has a right of withdrawal under paragraphs 1, 3 and 4, Articles 6 and 7 of Directive 2002/65/EC and Article 5 of Council Directive 85/577/EEC of 20 December 1985 to protect the consumer in respect of contracts negotiated away from business premises<sup>(4)</sup> shall not apply.

6 Member States may provide that paragraphs 1 to 4 of this Article shall not apply to credit agreements which by law are required to be concluded through the services of a notary, provided that the notary confirms that the consumer is guaranteed the rights provided for under Articles 5 and 10.

7 This Article shall be without prejudice to any rule of national law establishing a period of time during which the performance of the contract may not begin.

#### *Article 15*

### **Linked credit agreements**

1 Where the consumer has exercised a right of withdrawal, based on Community law, concerning a contract for the supply of goods or services, he shall no longer be bound by a linked credit agreement.

2 Where the goods or services covered by a linked credit agreement are not supplied, or are supplied only in part, or are not in conformity with the contract for the supply thereof, the consumer shall have the right to pursue remedies against the creditor if the consumer has pursued his remedies against the supplier but has failed to obtain the satisfaction to which he is entitled according to the law or the contract for the supply of goods or services. Member States shall determine to what extent and under what conditions those remedies shall be exercisable.

3 This Article shall be without prejudice to any national rules rendering the creditor jointly and severally liable in respect of any claim which the consumer may have against the supplier where the purchase of goods or services from the supplier has been financed by a credit agreement.

#### *Article 16*

### **Early repayment**

1 The consumer shall be entitled at any time to discharge fully or partially his obligations under a credit agreement. In such cases, he shall be entitled to a reduction in the total cost of the credit, such reduction consisting of the interest and the costs for the remaining duration of the contract.

2 In the event of early repayment of credit the creditor shall be entitled to fair and objectively justified compensation for possible costs directly linked to early repayment of credit provided that the early repayment falls within a period for which the borrowing rate is fixed.

Such compensation may not exceed 1 % of the amount of credit repaid early, if the period of time between the early repayment and the agreed termination of the credit agreement exceeds one year. If the period does not exceed one year, the compensation may not exceed 0,5 % of the amount of credit repaid early.

3 Compensation for early repayment shall not be claimed:

- a if the repayment has been made under an insurance contract intended to provide a credit repayment guarantee;
- b in the case of overdraft facilities; or
- c if the repayment falls within a period for which the borrowing rate is not fixed.

4 Member States may provide that:

---

*Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.*

---

- a such compensation may be claimed by the creditor only on condition that the amount of the early repayment exceeds the threshold defined by national law. That threshold shall not exceed EUR 10 000 within any period of 12 months;
- b the creditor may exceptionally claim higher compensation if he can prove that the loss he suffered from early repayment exceeds the amount determined under paragraph 2.

If the compensation claimed by the creditor exceeds the loss actually suffered, the consumer may claim a corresponding reduction.

In this case, the loss shall consist of the difference between the initially agreed interest rate and the interest rate at which the creditor can lend out the amount repaid early on the market at the time of early repayment, and shall take into account the impact of early repayment on administrative costs.

- 5 Any compensation shall not exceed the amount of interest the consumer would have paid during the period between the early repayment and the agreed date of termination of the credit agreement.

#### *Article 17*

### **Assignment of rights**

1 In the event of assignment to a third party of the creditor's rights under a credit agreement or the agreement itself, the consumer shall be entitled to plead against the assignee any defence which was available to him against the original creditor, including set-off where the latter is permitted in the Member State concerned.

2 The consumer shall be informed of the assignment referred to in paragraph 1 except where the original creditor, by agreement with the assignee, continues to service the credit vis-à-vis the consumer.

#### *Article 18*

### **Overrunning**

1 In the case of an agreement to open a current account, where there is a possibility that the consumer is allowed an overrun, the agreement shall contain in addition the information referred to in Article 6(1)(e). The creditor shall in any case provide that information on paper or another durable medium on a regular basis.

2 In the event of a significant overrunning exceeding a period of one month, the creditor shall inform the consumer without delay, on paper or on another durable medium,

- a of the overrunning;
- b of the amount involved;
- c of the borrowing rate;
- d of any penalties, charges or interest on arrears applicable.

3 This Article shall be without prejudice to any rule of national law requiring the creditor to offer another kind of credit product when the duration of the overrunning is significant.

## CHAPTER V

## ANNUAL PERCENTAGE RATE OF CHARGE

## Article 19

## Calculation of the annual percentage rate of charge

1 The annual percentage rate of charge, equating, on an annual basis, to the present value of all commitments (drawdowns, repayments and charges), future or existing, agreed by the creditor and the consumer, shall be calculated in accordance with the mathematical formula set out in Part I of Annex I.

2 For the purpose of calculating the annual percentage rate of charge, the total cost of the credit to the consumer shall be determined, with the exception of any charges payable by the consumer for non-compliance with any of his commitments laid down in the credit agreement and charges other than the purchase price which, for purchases of goods or services, he is obliged to pay whether the transaction is effected in cash or on credit.

The costs of maintaining an account recording both payment transactions and drawdowns, the costs of using a means of payment for both payment transactions and drawdowns, and other costs relating to payment transactions shall be included in the total cost of credit to the consumer unless the opening of the account is optional and the costs of the account have been clearly and separately shown in the credit agreement or in any other agreement concluded with the consumer.

3 The calculation of the annual percentage rate of charge shall be based on the assumption that the credit agreement is to remain valid for the period agreed and that the creditor and the consumer will fulfil their obligations under the terms and by the dates specified in the credit agreement.

4 In the case of credit agreements containing clauses allowing variations in the borrowing rate and, where applicable, charges contained in the annual percentage rate of charge but unquantifiable at the time of calculation, the annual percentage rate of charge shall be calculated on the assumption that the borrowing rate and other charges will remain fixed in relation to the initial level and will remain applicable until the end of the credit agreement.

[<sup>F35</sup> Where necessary, the additional assumptions set out in Annex I may be used in calculating the annual percentage rate of charge.

If the assumptions set out in this Article and in Part II of Annex I do not suffice to calculate the annual percentage rate of charge in a uniform manner or are no longer adapted to the commercial situations in the market, the Commission is empowered to adopt delegated acts in accordance with Article 24a amending this Article and Part II of Annex I to add the necessary additional assumptions for the calculation of the annual percentage rate of charge or to modify the existing ones.]

### CREDITORS AND CREDIT INTERMEDIARIES

#### *Article 20*

#### **Regulation of creditors**

#### *Article 21*

#### **Certain obligations of credit intermediaries vis-à-vis consumers**

Member States shall ensure that:

- (a) a credit intermediary indicates in advertising and documentation intended for consumers the extent of his powers, in particular whether he works exclusively with one or more creditors or as an independent broker;
- (b) the fee, if any, payable by the consumer to the credit intermediary for his services is disclosed to the consumer, and agreed between the consumer and the credit intermediary on paper or another durable medium before the conclusion of the credit agreement;
- (c) the fee, if any, payable by the consumer to the credit intermediary for his services is communicated to the creditor by the credit intermediary, for the purpose of calculation of the annual percentage rate of charge.

## CHAPTER VII

### IMPLEMENTING MEASURES

#### *Article 22*

#### **Harmonisation and imperative nature of this Directive**

1 Insofar as this Directive contains harmonised provisions, Member States may not maintain or introduce in their national law provisions diverging from those laid down in this Directive.

2 Member States shall ensure that consumers may not waive the rights conferred on them by the provisions of national law implementing or corresponding to this Directive.

3 Member States shall further ensure that the provisions they adopt in implementation of this Directive cannot be circumvented as a result of the way in which agreements are formulated, in particular by integrating drawdowns or credit agreements falling within the scope of this Directive into credit agreements the character or purpose of which would make it possible to avoid its application.

4 Member States shall take the necessary measures to ensure that consumers do not lose the protection granted by this Directive by virtue of the choice of the law of a third country as the law applicable to the credit agreement, if the credit agreement has a close link with the territory of one or more Member States.

#### *Article 23*

#### **Penalties**

Member States shall lay down the rules on penalties applicable to infringements of the national provisions adopted pursuant to this Directive and shall take all measures necessary to ensure that they are implemented. The penalties provided for must be effective, proportionate and dissuasive.

#### *Article 24*

#### **Out-of-court dispute resolution**

1 Member States shall ensure that adequate and effective out-of-court dispute resolution procedures for the settlement of consumer disputes concerning credit agreements are put in place, using existing bodies where appropriate.

The Commission shall draw up a report in respect of the delegation of power not later than nine months before the end of the five-year period. The delegation of power shall be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.

3 The delegation of power referred to in Article 19(5) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the *Official Journal of the European Union* or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.

4 Before adopting a delegated act, the Commission shall consult experts designated by each Member State in accordance with the principles laid down in the Interinstitutional Agreement of 13 April 2016 on Better Law-Making<sup>(5)</sup>.

5 As soon as it adopts a delegated act, the Commission shall notify it simultaneously to the European Parliament and to the Council.
