

Commission Directive 2008/62/EC of 20 June 2008 providing for certain derogations for acceptance of agricultural landraces and varieties which are naturally adapted to the local and regional conditions and threatened by genetic erosion and for marketing of seed and seed potatoes of those landraces and varieties (Text with EEA relevance)

CHAPTER III

SEED PRODUCTION AND MARKETING

Article 16

Monitoring of seed crops

Member States shall ensure by official monitoring that the seed crops of a conservation variety comply with the provisions of this Directive, paying particular attention to the variety, locations of the seed production and quantities.
