

Council Directive 2008/72/EC of 15 July 2008 on the  
marketing of vegetable propagating and planting material,  
other than seed (Text with EEA relevance) (Codified version)

*Article 10*

- 1 While growing and during lifting or removal from the parent material, vegetable propagating and planting material shall be kept in separate lots.
- 2 If vegetable propagating and planting material of different origins is put together or mixed during packaging, storage, transport or at delivery, the supplier shall keep records including the following data: composition of the lot and origin of the individual components.
- 3 Member States shall ensure compliance with the requirements of paragraphs 1 and 2 by carrying out official inspections.
