

Directive 2008/96/EC of the European Parliament and of the Council  
of 19 November 2008 on road infrastructure safety management

*Article 11*

**Continuous improvement of safety management practices**

- 1 The Commission shall facilitate and structure the exchange of knowledge and best practices between Member States, making use of the experience gained in existing relevant international forums, with a view to achieving continuous improvement of safety management practices concerning road infrastructures in the European Union.
- 2 The Commission shall be assisted by the Committee referred to in Article 13. In so far as the adoption of specific measures is required, such measures shall be adopted in accordance with the regulatory procedure with scrutiny referred to in Article 13(3).
- 3 Where appropriate, relevant non-governmental organisations, active in the field of safety and management of road infrastructures, may be consulted on matters related to technical safety aspects.
