

Directive 2008/96/EC of the European Parliament and of the Council
of 19 November 2008 on road infrastructure safety management

Article 11

Continuous improvement of safety management practices

1 The Commission shall facilitate and structure the exchange of knowledge and best practices between Member States, making use of the experience gained in existing relevant international forums, with a view to achieving continuous improvement of safety management practices concerning road infrastructures in the European Union.

^{F12}

3 Where appropriate, relevant non-governmental organisations, active in the field of safety and management of road infrastructures, may be consulted on matters related to technical safety aspects.
