CHAPTER 1

GENERAL PROVISIONS

Article 3

Compulsory insurance of vehicles

Each Member State shall, subject to Article 5, take all appropriate measures to ensure that civil liability in respect of the use of vehicles normally based in its territory is covered by insurance.

The extent of the liability covered and the terms and conditions of the cover shall be determined on the basis of the measures referred to in the first paragraph.

Each Member State shall take all appropriate measures to ensure that the contract of insurance also covers:

- (a) according to the law in force in other Member States, any loss or injury which is caused in the territory of those States;
- (b) any loss or injury suffered by nationals of Member States during a direct journey between two territories in which the Treaty is in force, if there is no national insurers' bureau responsible for the territory which is being crossed; in such a case, the loss or injury shall be covered in accordance with the national laws on compulsory insurance in force in the Member State in whose territory the vehicle is normally based.

The insurance referred to in the first paragraph shall cover compulsorily both damage to property and personal injuries.
