

Directive 2009/105/EC of the European Parliament and of
the Council of 16 September 2009 relating to simple pressure
vessels (codified version) (Text with EEA relevance) (repealed)

CHAPTER III

‘CE’ MARKING AND INSCRIPTIONS

Article 15

Without prejudice to Article 7:

- (a) where a Member State establishes that the ‘CE’ marking has been affixed unduly, the manufacturer or his authorised representative established within the Community shall be obliged to make the product conform with the provisions concerning the ‘CE’ marking and to end the infringement under the conditions imposed by that Member State;
- (b) where the non-conformity continues, the Member State must take all appropriate measures to restrict or prohibit the placing on the market of the product in question or to ensure that it is withdrawn from the market in accordance with the procedure laid down in Article 7.

Article 16

1 The ‘CE’ marking and the inscriptions provided for in point 1 of Annex II, shall be affixed in a visible, legible and indelible form to the vessel or to a data plate attached to the vessel in such a way that it cannot be removed.

The ‘CE’ marking shall consist of the initials ‘CE’ in the form shown in the specimen in point 1.1 of Annex II. The ‘CE’ marking shall be followed by the identification number referred to in Article 9(1) of the approved inspection body responsible for ‘CE’ verifications or ‘CE’ surveillance.

2 The affixing on the vessels of markings which are likely to deceive third parties as to the meaning and form of the ‘CE’ marking shall be prohibited. Any other marking may be affixed to the vessels or the data plate provided that the visibility and legibility of the ‘CE’ marking are not thereby reduced.
